**Your interview is starting shortly!**

Your interview for Controller - NetSuite SME should be starting briefly! Best of luck, show them how just awesome you are!

We are aware of how difficult it can be to identify opportunities, relevant connections, training courses, and resources for those not directly connected to an organization. So in response, we are answering the call!

Enjoy intuitive functionality such as:

- ✓ Applying for new enterprise application projects or jobs
- ✓ Competing in auctions against similarly skilled professionals
- ✓ Networking with professionals relevant to your industry or technology
- ✓ Participating in various enterprise application training courses
- ✓ Join communities to share & receive resources or tips & tricks
- ✓ Exploring new technologies and opportunities of various kinds

**Jonah Burns has sent you a message!**

Hello, thank you for connecting. I am very interested in your NetSuite Implementation Consultant opening! I have over 7 years...

We understand how limited your time is. Gone are the days of the “Goldie Locks” methodology, we’ve designed our platform to skip to the “just right” part of the process. Affording you efficiency & control over your enterprise application networking, learning, & hiring capabilities; getting you back to focusing on business.

Experience capabilities like:

- ✓ Identifying enterprise application talent at various skill levels
- ✓ Exploring various application curriculum & promotions
- ✓ Configuring auctions to identify talent that fit your need & budget
- ✓ Participating in virtual & in person hiring or educational events
- ✓ Tailored connection & talent recommendations that fit your technology setup
- ✓ Searching by precise parameters like certifications, level of experience, & application specific skills

We recognize the historically competitive nature of your craft and have cultivated an environment designed to face that challenge head on. With Gaggle you now have a dedicated space to offer licenses, software, training courses/curriculum, and compete for projects against other vendors/partners and teams.

With Gaggle Social explore:

- ✓ Expanding the boundaries of your team's skill set or scale your team
- ✓ Increasing your chances of securing potentially life long clients
- ✓ A dedicated space for you to offer customized or exclusive promotions and packages
- ✓ Various networking & organic marketing capabilities
- ✓ Set up auctions to identify the best additions to your team
- ✓ A space for you to stay up to date on enterprise application news & updates
